RESILIENCE

THE BIOLOGY OF STRESS & THE SCIENCE OF HOPE

fig1

Please join us for Resilience, a film that features the ACES Study, showing the effects of toxic stress on children, families and communities, and solutions to the problem.

The film will be followed by a panel discussion about how parents, teachers, healthcare workers and others can use a trauma informed approach to support health and safety for all.

Tuesday, Oct. 25
Doors at 6, Film at 6:30 p.m.
