

INFORMATIONAL WORKSHOP ON SUBSTANCE ABUSE HEROIN: THE WAKE UP CALL

Presenters: Susan P. Byrnes-Health Education Center
& The Open Arms Recovery Center

- This epidemic is sweeping the country.
- Find out how it is directly affecting our community.
- What does heroin do to the body?
- How does prescription and drug abuse lead to heroin abuse?
- Help is out there—find out how to access it.

"Knowledge is Power"—Frances Bacon
