

INCOME GUIDELINES FOR PENNSYLVANIA WIC

Effective from July 1, 2019 - June 30, 2020

Income eligibility standards are effective for certifying all new applicants, and for recertifying current participants at the time of their next certification on or after July 1, 2019. The expected number of babies is counted in the family size for WIC and Medical Assistance (MA).

Current income guidelines for Healthy Beginnings (HB) and Healthy Beginnings Plus (HBP), are the same as WIC income guidelines. Refer potentially eligible individuals to these programs.
